## Hazelton Road Reconstruction Project

Dear Stakeholder:

### Construction: Stage 1

The contractor has completed the grading for Stage 1, which includes the area near the Guitar Center entrance from Hazelton Road. The contractor placed the outside concrete curb and gutter Thursday and Friday this week.

### Business Access

Access will be maintained for Rue de France, Guitar Center and Byerly's throughout the duration of the project. Please pay attention to signage regarding the best method to access these sites, and use caution when driving around construction equipment.

### Stage 2

Stage 2 is scheduled to begin in late May. It will require Hazelton Road to be closed from France Avenue and restrict through traffic; however, France Avenue will remain open. Access will be maintained for local businesses and signage will be placed detouring France Avenue traffic. Additional information will be available in the upcoming weeks.

### Pedestrian Access

We encourage pedestrians to use the Promenade sidewalk and trail system and to avoid the project area.

### Contact Information

Should you have any questions or concerns during the project, please contact Andrew Plowman at 763-287-7149 or email at [aplowman@wsbeng.com](mailto:aplowman@wsbeng.com)

### Safety

Safety is our No. 1 concern. Please use caution when traveling the area on foot or by car. Children are fascinated with construction operations, so please keep an eye on them. Expect delays and travel safely through the construction zone.

### Who to Contact in an Emergency

9-1-1 for life or property-threatening emergencies.

Sincerely,

Andrew Plowman, PE  
Project Manager  
WSB & Associates, Inc.
